

Activation guide LuxTrust Mobile

Download the **LuxTrust Mobile app** on the App Store or Google Play **typing "LuxTrust Mobile"** in the search bar.

There are two ways to activate LuxTrust Mobile. According to your situation, please refer to the chapter that is relevant to you. If ...

... you do not have a **LuxTrust Token**, please go to the chapter **"Activate LuxTrust Mobile as a new user"**.

... you already have a **LuxTrust Token**, please go to the chapter **"Activate LuxTrust Mobile with a LuxTrust Token"**.

Activate LuxTrust Mobile as a new user

1

To get started, **get your User ID** and your **password**, which you have received by SMS and tap **“New LuxTrust user”**.

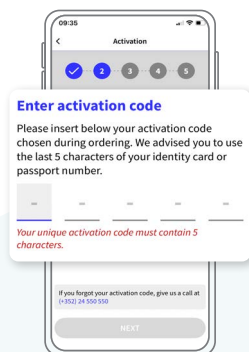

If you have not received an SMS within 48 hours following your order, **please contact our Helpdesk +352 2450 2000**.

2

Type your UserID and the **password** received by SMS and **press next**. Your UserID consists of 4 letters and 4 numbers.

3

Type in the activation code defined when the LuxTrust device was ordered. This code is the last 5 digits of your ID card.

4

Choose a 6-digit PIN code to secure your connexion to LuxTrust Mobile.

5

Enable biometric authentication for more security. Depending on your device, it can be TouchID, FaceID or fingerprint.

Please note that you will be asked for a PIN code if the biometric authentication is not available.
