

Personal loans for your future projects

Raiffeisen offers you solutions for financing your many projects that are tailored to your situation and needs.

The three financing formulas **R-Classic**, **R-Confort** and **R-Eco** offer particularly favourable rates. They also allow you to manage your budget with peace of mind and flexibility.

R-Classic

The **R-Classic** personal loan is a loan of **between €5,000 and a maximum of €50,000** over a **period of 12 to 60 months**. It is intended for financing current expenses: purchase of furniture, acquisition of a car, purchase of household appliances, etc.

You get monthly payments and an advantageous fixed rate for the entire duration of the loan, which protects you from interest rate fluctuations.

R-Confort

Raiffeisen's **R-Confort** personal loan offers you **a permanent credit facility** with a cash reserve of up **to €50,000**.

This solution is tailored to your needs and makes it easier for you to manage your cash flow: you don't need to draw on your savings or investments for special expenses. This means that **you can manage your budget flexibly and comfortably**.

R-Eco

The **R-Eco** personal loan has the same characteristics as the **R-Classic** formula but you get an even **more advantageous fixed rate** to finance your ecological projects: energy equipment or renovations to your home or new low-emission vehicles.

List of ecological projects eligible for the R-Eco personal loan:

Ecological equipment and renovations ¹	New ecological vehicle
 Heat pump	 Electric car ²
 Photovoltaic system	 Hybrid car ²
 Boiler replacement	 Fuel cell or hydrogen car
 High efficiency glazing	 Electric motorcycle ²
 Green roof	 Conventional bicycle
 Wood-fired heating	 Pedelec
 Interior and exterior insulation
