

Boost your savings with the R-TOP savings account

With your R-TOP savings account, save at your own pace and benefit from **additional remuneration** for each new contribution of eligible funds made during a **promotional period**.

Benefits for you

- Advantageous rates during the bonus period.
- No minimum deposit.
- Security, flexibility and returns.
- The money you deposit is available at any time.
- The base rate remains applicable to any money in the account that is not eligible for a promotional rate.
- You also earn OPERA points through your savings.

How do I sign up for these offers?

- **Opening an R-TOP savings account**
You can open an R-TOP savings account at any time with your advisor or via your R-NET online banking.
- **Subscription period**
Any eligible deposits you make in your R-TOP account during a subscription period will automatically qualify for the promotional offer (max. €250,000 per offer per person). The Bank publishes the subscription period dates over the course of the year.

- **Bonus period**

Eligible deposits made during the subscription period earn interest at a highly advantageous rate over the whole bonus period.

- **Eligible deposits**

Any money paid into your R-TOP savings account counts as an eligible deposit as long as it results in a net increase on the total amount of savings held in your own name with Raiffeisen.

- **Interest**

Any additional interest you receive as a result of a promotional offer will be paid to you at the end of the year.
