UNIQUE IN LUXEMBOURG VISA CARDS THAT PLANT TREES

Thanks to the new, sustainable Visa credit cards, which are unique in Luxembourg, we can combat together against the damaging effects of climate change by planting trees in Luxembourg and Bangladesh.

200 TRANSACTIONS = 1 TREE PLANTED!

From March 2021, for every 200 transactions made using any of the new, sustainable Visa credit cards, Banque Raiffeisen commits to planting 1 tree in collaboration with the Fondation Hëllef fir d'Natur from natur&ëmwelt and the NGO Friendship Luxembourg.
