R-Classic

FULL PEACE OF MIND

With R-Classic, Raiffeisen offers a preferential **fixed rate** for the full duration of the loan. You benefit from fixed monthly instalments and are **protected from variations in interest rates**.

R-Confort

TRULY FLEXIBLE

R-Confort is a permanent credit facility from Raiffeisen that provides you with **cash reserves**. The credit facility adapts to your requirements and makes it easier to manage your cash. When faced with exceptional expenses, for example, you won't need to dip into your savings or take out another loan. With these additional funds, enjoy greater flexibility and convenience for your budget.

When you opt for one of our R-Classic or R-Confort solutions, you benefit from certain **tax incentives**. You can deduct the annual interest expenses from your taxable income, up to an amount of 672 EUR per person in your household.

The maximum tax-deductible amount includes all deductible insurance premiums and the interest expenses on consumer loans.
