

R-GESTION

Discretionary fund management

Are you interested in having experts in discretionary management handle your assets? This way, you can grow your portfolio with complete peace of mind. Your capital is managed according to your investor profile, your sustainability preferences and according to the selected discretionary management directive.

Advantages

- **Trust and time savings**
Your assets are managed by experts in discretionary management.
- **Minimum investment amount**
The entry threshold is set at €125,000.
- **Investments**
Your investments are managed according to your investor profile and sustainability preferences.
- **Access to our “investor hotline”**
You benefit from our investment expertise at all times.
- **Quarterly statement and yearly tax reporting**
On request, you will receive various performance indicators on the evolution of your portfolio and a summary document to help you fill in your tax return.
- **Investors’ Outlook**
You receive our quarterly brochure highlighting current issues and our macroeconomic perspective.
